Umjetna inteligencija u svakodnevnom životu

- AI (engl. Artificial Intelligence) je oslonac mnogim tehnologijama koje primjenjujemo već duže vrijeme u svakodnevnom životu bez obzira jesmo li toga svjesni ili ne
- svaki put kad otvorimo naš Facebook feed, obavimo Google pretragu, kupimo nešto s Amazona ili rezerviramo putovanje online, AI djeluje u pozadini
- na raspolaganju su nam mnoge AI aplikacije koje nam uveliko mogu pomoći u našim svakodnevnim zadacima i aktivnostima

Što je AI?

- Sposobnost nekog uređaja da oponaša ljudske aktivnosti poput zaključivanja, učenja, planiranja i kreativnosti
- Omogućuje uređajima učenje iz iskustva, prilagođavanje novim inputima i obavljanje zadataka na način sličan ljudima
- Omogućuje tehničkim sustavima percipiranje okruženja, uzimanje u obzir onog što vide i rješavanje problema kako bi postigli neki cilj
- Računalo prima podatke koji su već pripremljeni ili prikupljeni s pomoću vlastitih senzora, obrađuje ih i daje odgovore
- AI sustavi mogu u određenoj mjeri prilagoditi svoje ponašanje analiziranjem prethodnih situacija i samostalnim radom

Gemini

Chatbot

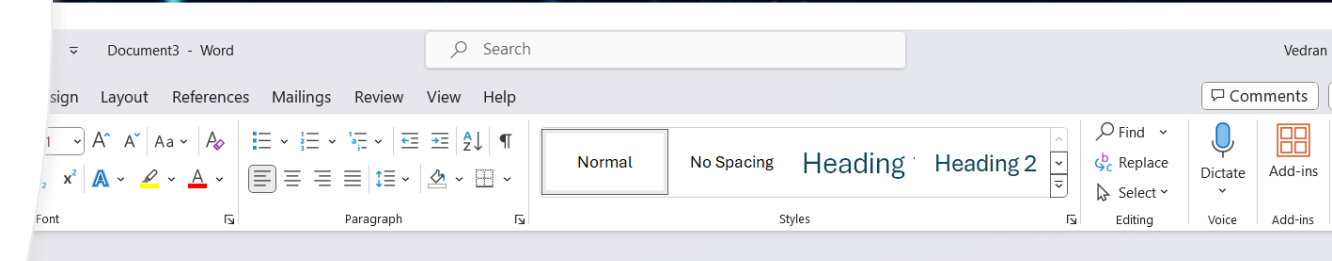

The screenshot displays the Gemini chatbot interface. At the top left, there is a hamburger menu icon and the text "Gemini". At the top right, there is a red circle with a white "V" icon. Below this is a dark blue banner with the text "See the latest updates to the Gemini Apps Privacy Hub" and a close button. The main content area features a personalized greeting: "Hello, Vedran." in blue and red, followed by "How can I help you today?" in grey. Below the greeting are four light blue rounded rectangular cards, each with a specific prompt and a circular icon: "Draft an email with a packing list for an upcoming trip" (pencil icon), "Help create a weekly meal plan for two" (pencil icon), "Walk me through how to apply for a new role" (document icon), and "Give me tips for how to grow my YouTube channel" (document icon). Below these cards is a light blue box with a shield icon and the text: "Your conversations are processed by human reviewers to improve the technologies powering Gemini Apps. Don't enter anything you wouldn't want reviewed or used." with links for "How it works" and "Dismiss". At the bottom, there is a light blue input field with the placeholder text "Enter a prompt here" and icons for image upload and voice recording. A small footer note at the very bottom reads: "Gemini may display inaccurate info, including about people, so double-check its responses. Your privacy & Gemini Apps".
